

# For the Love of the Game

For Kindergarten / 1st Grade - 5 to 7 year old girls and boys

These FUN weekly practice sessions are designed for children in Kindergarten & 1st (through age 7) to develop their soccer skills at their own pace without the pressure of games. Small group format encourages multiple touches of the ball often missing in games, but essential for player advancement. Soccer for Tots graduates and new enrollees welcome. Weekly 45 minute classes offered after school.

Fully trained coaches are chosen specifically for their ability to work with this age group. Our program compliments other after school classes while leaving your weekends free to participate in other activities.
